ABOUT THIS CATALOGUE

Merit Advisory delivers configurable ERP and digital management solutions tailored to each industry's operational, financial, regulatory and service-delivery needs.

Solutions integrate finance, operations, HR, procurement, inventory, CRM, projects, documents, analytics, approvals, payments and integrations into one unified platform.

Each system can be customized by organization size, branches, users, workflows, regulations and sector-specific processes, ensuring the technology fits the client's actual business model.

OUR APPROACH

2026

Understand

We analyze your business processes, challenges and requirements

Development

We build and customize the platform to match your specific requirements

Integrate

We connect payment systems, SMS, mobile money, APIs, devices and third-party platforms

Train

We train administrators, managers and end users.

Design

We map your workflows and design the appropriate ERP architecture

Configure

We configure the required modules, permissions, workflows and reports

Implement

We migrate data, test workflows and deploy the solution

Support

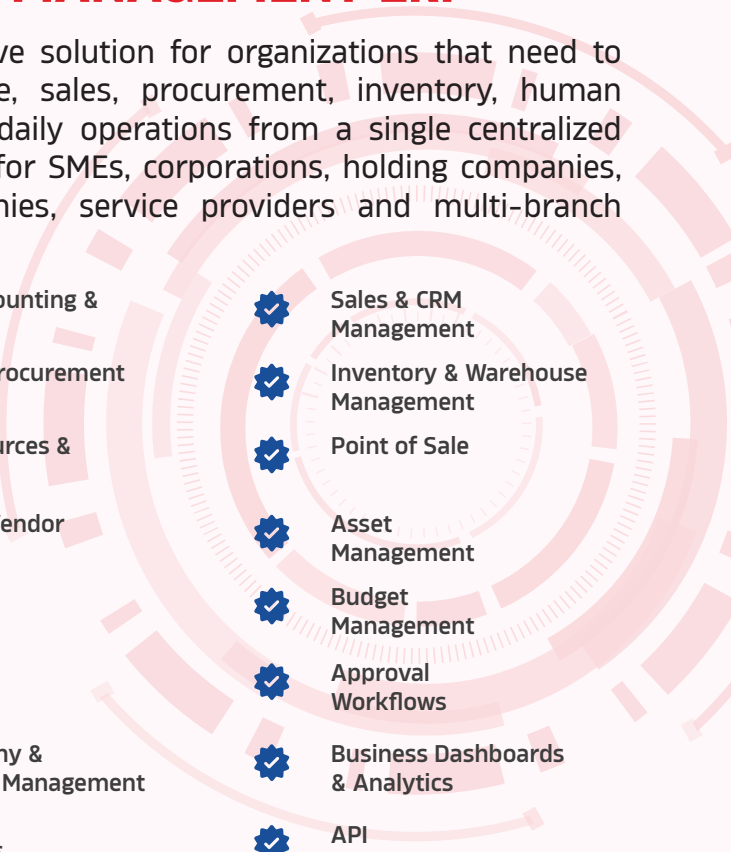

We provide ongoing support, maintenance, optimization and future enhancements

The background is a solid red color. In the center, there is a large, faint, circular graphic composed of concentric circles and radial lines, resembling a stylized sun or a target. On the right side, there is a vertical blue bar. In the bottom left corner, there is a faint, light red, abstract shape that looks like a stylized letter 'p' or a swirl.

BUSINESS & CORPORATE

BUSINESS MANAGEMENT ERP

A comprehensive solution for organizations that need to manage finance, sales, procurement, inventory, human resources and daily operations from a single centralized platform. Ideal for SMEs, corporations, holding companies, trading companies, service providers and multi-branch organizations.

- 
- ✓ Financial Accounting & Reporting
 - ✓ Purchase & Procurement Management
 - ✓ Human Resources & Payroll
 - ✓ Customer & Vendor Management
 - ✓ Expense Management
 - ✓ Document Management
 - ✓ Multi-Company & Multi-Branch Management
 - ✓ Mobile Access
 - ✓ Sales & CRM Management
 - ✓ Inventory & Warehouse Management
 - ✓ Point of Sale
 - ✓ Asset Management
 - ✓ Budget Management
 - ✓ Approval Workflows
 - ✓ Business Dashboards & Analytics
 - ✓ API Integrations

The background is a solid red color. In the center, there is a large, faint, circular graphic composed of concentric rings and segments, resembling a stylized sun or a complex medical symbol. In the bottom left corner, there is a large, stylized, light red shape that looks like a lowercase 'p' or a medical symbol.

HEALTHCARE

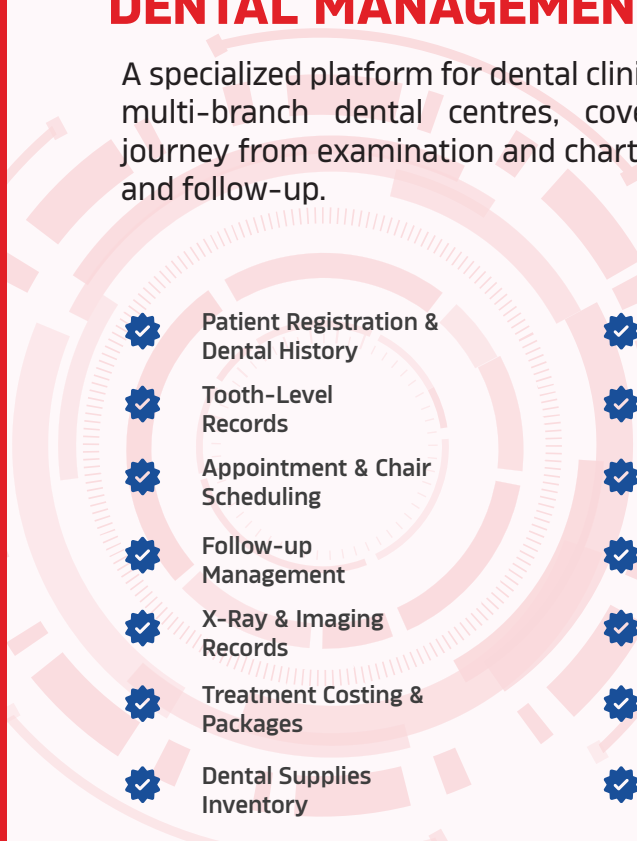

HOSPITAL & HEALTHCARE MANAGEMENT ERP

A comprehensive healthcare ERP designed for hospitals, clinics, medical centers and healthcare groups, connecting patient care, clinical departments, pharmacy, laboratory and business operations in a single platform.

- 
- ✓ Patient Registration & Profiles
 - ✓ Appointments & Doctor Scheduling
 - ✓ Clinical Notes, Diagnosis & Treatment Plans
 - ✓ Inpatient Admission, Bed & Ward Management
 - ✓ Pharmacy: Prescriptions, Dispensing & Stock
 - ✓ Laboratory & Diagnostic Imaging
 - ✓ Surgery & Theatre Scheduling
 - ✓ Specialized Departments (Maternity, Cardiology, Dental, etc.)
 - ✓ Hospital Accounting & Insurance Claims
 - ✓ Inventory & Warehouse Management
 - ✓ HR, Payroll & Staff Scheduling
 - ✓ Medical Supplies & Equipment Maintenance
 - ✓ Telemedicine & Patient Portal
 - ✓ Clinical Dashboards & Hospital KPIs
 - ✓ Data Security & Access Control

DENTAL MANAGEMENT SYSTEM

A specialized platform for dental clinics, dental hospitals and multi-branch dental centres, covering the full patient journey from examination and charting to treatment, billing and follow-up.

- 
- ✓ Patient Registration & Dental History
 - ✓ Tooth-Level Records
 - ✓ Appointment & Chair Scheduling
 - ✓ Follow-up Management
 - ✓ X-Ray & Imaging Records
 - ✓ Treatment Costing & Packages
 - ✓ Dental Supplies Inventory
 - ✓ Patient Portal & SMS/WhatsApp Reminders
 - ✓ Dental Chart / Odontogram
 - ✓ Dental Examination & Treatment Planning
 - ✓ Dentist Management
 - ✓ Prescription Management
 - ✓ Dental Laboratory Management
 - ✓ Billing & Insurance
 - ✓ Human Resources & Payroll

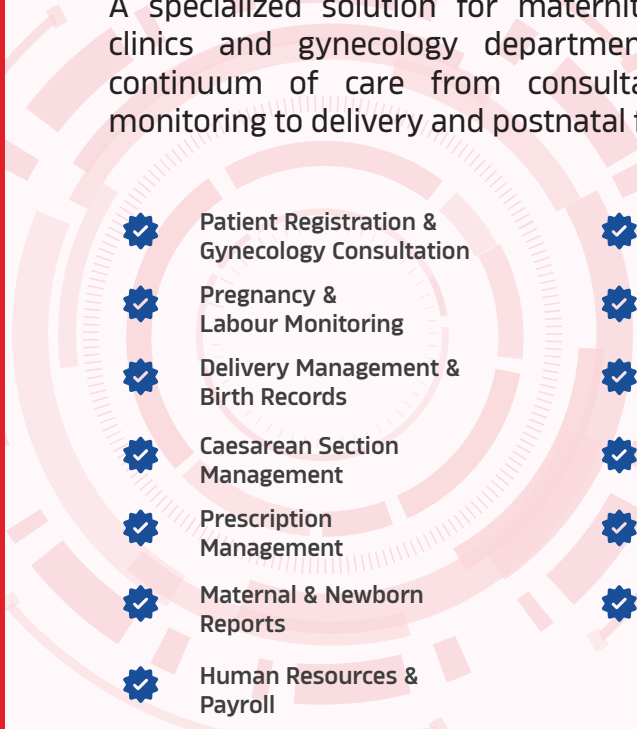

OPHTHALMOLOGY & EYE CARE MANAGEMENT SYSTEM

A dedicated system for ophthalmology practices and eye-care organizations, managing clinical examinations, surgery, optical retail and diagnostic imaging in one workflow.

- 
- ✓ Patient Registration
 - ✓ Refraction & Intraocular Pressure Records
 - ✓ Contact Lens Management
 - ✓ Pre/Post-Operative Follow-up
 - ✓ Prescription-Based Sales
 - ✓ Device Integration
 - ✓ Human Resources & Payroll
 - ✓ Eye Examination & Visual Acuity
 - ✓ Diagnosis & Prescription
 - ✓ Cataract Surgery & Theatre Scheduling
 - ✓ Optical Shop: Frames, Lenses & Contact Lenses
 - ✓ Ophthalmology Imaging & Diagnostics
 - ✓ Medical Reports

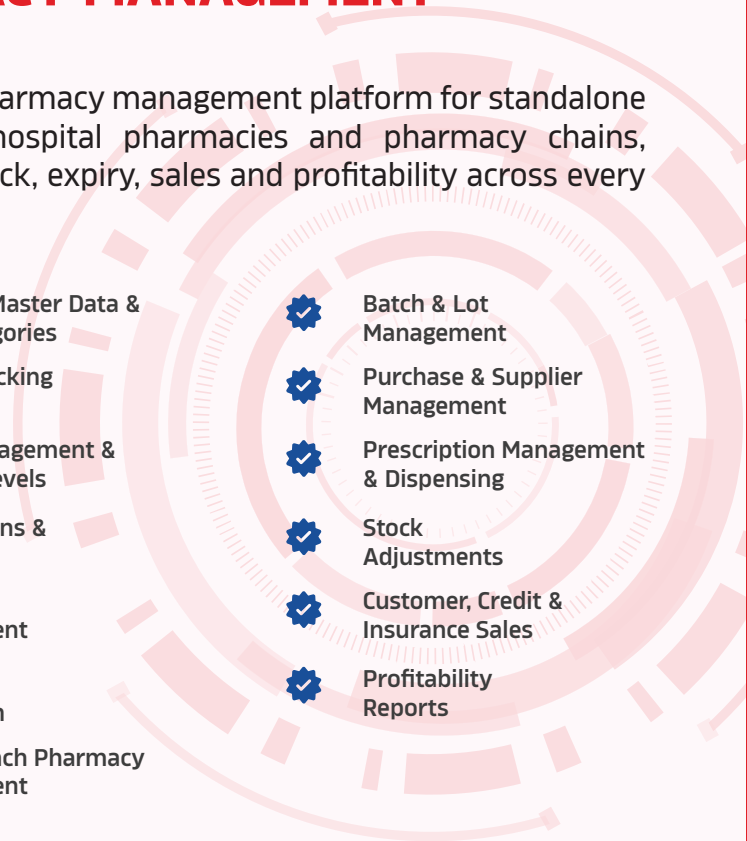

GYNECOLOGY & MATERNITY MANAGEMENT SYSTEM

A specialized solution for maternity hospitals, women's clinics and gynecology departments, tracking the full continuum of care from consultation and pregnancy monitoring to delivery and postnatal follow-up.

- 
- ✓ Patient Registration & Gynecology Consultation
 - ✓ Pregnancy & Labour Monitoring
 - ✓ Delivery Management & Birth Records
 - ✓ Caesarean Section Management
 - ✓ Prescription Management
 - ✓ Maternal & Newborn Reports
 - ✓ Human Resources & Payroll
 - ✓ Pregnancy Records & Antenatal Care
 - ✓ Ultrasound & Laboratory Requests
 - ✓ Newborn Registration
 - ✓ Postnatal Care & Family Planning
 - ✓ Follow-up Scheduling
 - ✓ Billing & Insurance

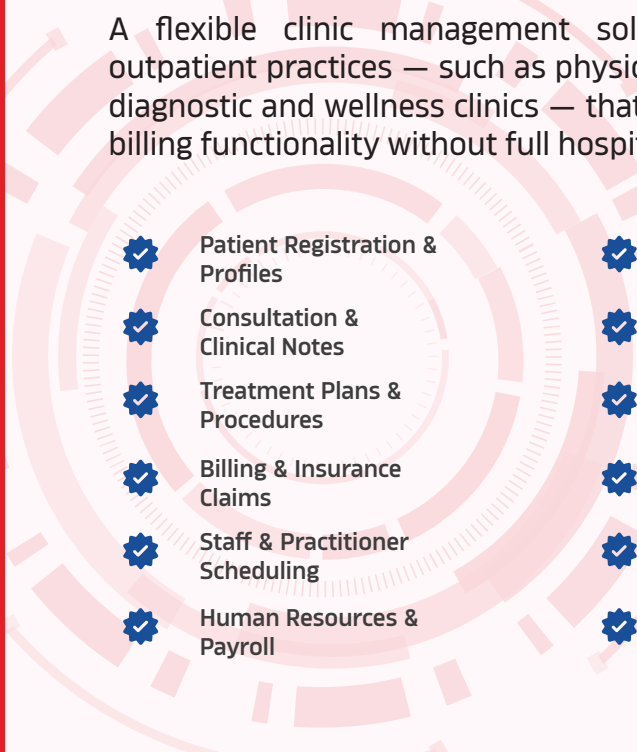

PHARMACY MANAGEMENT SYSTEM

A complete pharmacy management platform for standalone pharmacies, hospital pharmacies and pharmacy chains, controlling stock, expiry, sales and profitability across every branch.

- 
- ✓ Medicine Master Data & Drug Categories
 - ✓ Expiry Tracking
 - ✓ Stock Management & Reorder Levels
 - ✓ POS, Returns & Transfers
 - ✓ Price Management
 - ✓ Financial Integration
 - ✓ Multi-Branch Pharmacy Management
 - ✓ Batch & Lot Management
 - ✓ Purchase & Supplier Management
 - ✓ Prescription Management & Dispensing
 - ✓ Stock Adjustments
 - ✓ Customer, Credit & Insurance Sales
 - ✓ Profitability Reports

SPECIALIZED HEALTHCARE & CLINIC MANAGEMENT

A flexible clinic management solution for specialized outpatient practices — such as physiotherapy, dermatology, diagnostic and wellness clinics — that need core clinical and billing functionality without full hospital-scale complexity.

- 
- ✓ Patient Registration & Profiles
 - ✓ Consultation & Clinical Notes
 - ✓ Treatment Plans & Procedures
 - ✓ Billing & Insurance Claims
 - ✓ Staff & Practitioner Scheduling
 - ✓ Human Resources & Payroll
 - ✓ Appointment Scheduling
 - ✓ Laboratory & Diagnostic Requests
 - ✓ Prescription Management
 - ✓ Inventory of Medical Supplies
 - ✓ Patient Portal & Reminders
 - ✓ Clinic Performance Dashboards

The background is a solid red color. In the center, there is a large, faint, circular graphic composed of several concentric rings. These rings are decorated with various geometric patterns, including small squares, rectangles, and lines, giving it a technical or architectural feel. In the bottom-left corner, there is a large, light-red, stylized swirl or loop shape that partially extends out of the frame.

SCHOOL MANAGEMENT SYSTEM

Designed for primary, secondary and multi-school education organizations, this platform digitizes student administration, academics, fees and parent communication.

- 
- ✓ Student Registration & Admission
 - ✓ Class & Section Management
 - ✓ Teacher Management & Attendance
 - ✓ Grades, Results & Report Cards
 - ✓ Transport & Library
 - ✓ Student Portal
 - ✓ Email/SMS
 - ✓ Student & Parent Profiles
 - ✓ Subjects & Curriculum
 - ✓ Timetable & Examination
 - ✓ Fees & Payments
 - ✓ School Inventory
 - ✓ Multi-School Management

LEARNING & TRAINING MANAGEMENT SYSTEM

A learning management platform for institutions, corporate training departments and vocational centres that need to design courses, deliver e-learning and track learner progress and certification.

- 
- ✓ Course & Curriculum Design
 - ✓ E-learning Content Delivery
 - ✓ Certification & Accreditation Tracking
 - ✓ Class & Session Scheduling
 - ✓ Attendance Management
 - ✓ Reports & Learning Analytics
 - ✓ Payment & Fee Management
 - ✓ Learner Registration & Enrollment
 - ✓ Online Assessments & Quizzes
 - ✓ Trainer & Facilitator Management
 - ✓ Progress & Completion Tracking
 - ✓ Learner Portal & Mobile App
 - ✓ Human Resources & Payroll
 - ✓ Email/SMS

The background is a solid red color. In the center, there is a large, faint, circular graphic composed of concentric circles and radial lines, resembling a stylized sun or a technical diagram. In the bottom left corner, there is a large, stylized, light red letter 'P' that is partially cut off by the edge of the frame.

CONSTRUCTION & PROPERTY

CONSTRUCTION, PROPERTY & REAL ESTATE MANAGEMENT SYSTEM

A unified platform for construction, real estate, property and facility businesses, integrating project management, job costing, procurement, property portfolios, sales, leasing, tenants, contracts and maintenance.

- ✓ Project Planning, Milestones & Progress Tracking
- ✓ Job Cost Sheets, BOQ & Cost Estimation
- ✓ Variation Orders, Retention & Advance Payments
- ✓ Procurement, RFQ & Supplier Management
- ✓ Asset Tracking & Vendor Service Contracts
- ✓ Facility & Preventive Maintenance
- ✓ GIS/Property Mapping & Project Dashboards
- ✓ Human Resources & Payroll
- ✓ Material, Labour & Equipment Management
- ✓ Subcontractor & Contract Management
- ✓ Customer Progress Billing & Payment Certificates
- ✓ Property Portfolio: Buildings, Units & Land Parcels
- ✓ Rent Collection & Service Charges
- ✓ CRM, Sales Pipeline & Commission Management
- ✓ E-Signature, Customer & Vendor Portals

The background is a solid red color. In the center, there is a large, faint, circular graphic composed of concentric circles and radial lines, resembling a stylized sun or a target. In the bottom left corner, there is a large, stylized, light red letter 'P' that is partially cut off by the edge of the frame.

FINANCIAL SERVICES

MICROFINANCE, SACCO & COOPERATIVE MANAGEMENT SYSTEM

A financial services platform for microfinance institutions, SACCOs and cooperatives, managing member accounts, savings, loans and regulatory reporting with full audit control.

- 
- ✓ Customer/KYC & Member Registration
 - ✓ Deposits & Withdrawals
 - ✓ Repayment Schedules & Collections
 - ✓ Loan Rescheduling & Credit Risk Management
 - ✓ Mobile Money Integration
 - ✓ Biometric Integration & Credit Scoring
 - ✓ Multi-Branch Operations
 - ✓ Share Management & Savings Accounts
 - ✓ Loan Applications, Approval & Disbursement
 - ✓ Penalties & Interest Management
 - ✓ Portfolio Management
 - ✓ Agent Management & Field Officer App
 - ✓ Financial & Regulatory Reports

INSURANCE MANAGEMENT SYSTEM

A platform for insurance companies, brokers and agents to manage the full policy lifecycle — from issuance and premium collection through claims assessment and compliance reporting.

- 
- ✓ Customer Management
 - ✓ Premiums & Collections
 - ✓ Brokers, Agents & Commissions
 - ✓ Accounting & Compliance Reporting
 - ✓ Document Verification & Risk Scoring
 - ✓ Underwriting
 - ✓ Policy Issuance & Renewals
 - ✓ Claims & Claims Assessment
 - ✓ Policy Documents & Notifications
 - ✓ Digital Policy Portal & Online Claims
 - ✓ Human Resources & Payroll
 - ✓ Analytics & Payment Integrations

The background is a solid red color. In the center, there is a large, faint, circular graphic composed of concentric circles and radial lines, resembling a stylized sun or a target. In the bottom left corner, there is a large, stylized, light red shape that looks like a lowercase 'p' or a loop.

GOVERNMENT & PUBLIC SECTOR

GOVERNMENT & E-GOVERNMENT MANAGEMENT SYSTEM

A configurable government ERP and digital-service platform designed to connect ministries, departments, agencies, municipalities and public institutions around shared administration, finance and citizen-facing services

- 
- ✓ Ministry/Agency & Department Management
 - ✓ Digital Correspondence & E-File Management
 - ✓ Task & Meeting Management
 - ✓ Expenditure Management & Procurement
 - ✓ Asset Management
 - ✓ Human Resources & Payroll
 - ✓ Employee Management
 - ✓ Document Management & Workflow Approvals
 - ✓ Budget & Revenue Management
 - ✓ Government Accounting & Payroll
 - ✓ Financial Reporting
 - ✓ Public E-Service Portals

PUBLIC FINANCE MANAGEMENT SYSTEM

A financial management platform for government ministries, agencies and public institutions to plan budgets, control expenditure and produce transparent, audit-ready financial reporting.

Budget Planning & Preparation

Revenue Management

Treasury & Cash Management

Accounting & Chart of Accounts

Audit Trail & Compliance Reporting

Multi-Entity Consolidation

Donor/Development Partner Reporting

GBV & CHILD PROTECTION CASE MANAGEMENT SYSTEM (GBV-CPMS)

A secure case management platform for government GBV and Child Protection services, integrating case intake, risk assessment, referrals, service coordination and reporting. Provides strict confidentiality and role-based access controls to protect sensitive survivor and child information.

- 
- ✓ Case Intake & Registration
 - ✓ Safety Planning
 - ✓ Child Protection Case Management
 - ✓ Multi-Sectoral Referral (Health, Legal, Psychosocial, Shelter)
 - ✓ Confidentiality, Consent & Role-Based Access Control
 - ✓ Government & Donor Reporting
 - ✓ Offline Field Data Collection
 - ✓ Risk & Needs Assessment
 - ✓ GBV Case Tracking
 - ✓ Family Tracing & Reunification
 - ✓ Service Provider Directory & Coordination
 - ✓ Case Review & Supervision Workflow
 - ✓ M&E Dashboards & Statistics
 - ✓ SMS Alerts & Notifications

The background is a solid red color. In the center, there is a large, faint, circular graphic composed of concentric circles and radial lines, resembling a stylized sun or a target. In the bottom left corner, there is a large, stylized, light red shape that looks like a lowercase 'p' or a loop.

DEVELOPMENT SECTOR

NGO & DEVELOPMENT PROGRAMME MANAGEMENT ERP

A specialized platform for NGOs, INGOs, development organizations and donor-funded programmes to manage projects, beneficiaries, monitoring & evaluation and donor compliance in one system.

- 
- ✓ Programme, Project & Activity Management
 - ✓ Donor Agreements & Funding Sources
 - ✓ Vulnerability Profiles & Verification
 - ✓ M&E Framework, Indicators & KPI Dashboards
 - ✓ Donor Reporting & Audit Trail
 - ✓ Beneficiary Portal & SMS Communication
 - ✓ Workplans, Budgets & Grants
 - ✓ Beneficiary Registration & Household Management
 - ✓ Distribution & Assistance History
 - ✓ Grant Accounting & Budget Tracking
 - ✓ GIS Mapping & Mobile/Offline Data Collection
 - ✓ Document Management

NON-PROFIT, ASSOCIATION & MEMBERSHIP MANAGEMENT SYSTEM

A comprehensive platform for professional associations, membership organizations, foundations, clubs, federations, unions and non-profit institutions to manage members, finances, governance and contracts.
